

## CORONA: WAT MAG WEL EN NIET IN GENT? CORONA: WHAT IS ALLOWED AND WHAT IS NOT ALLOWED IN GENT?

As of 2/11

Limit **close contacts** to max. **1 person from outside your household**. You do not need to keep your distance. **Singles** are allowed to receive 1 extra person at home, provided social distancing is maintained. You can meet a max. of **4 persons outdoors**, if you keep your distance.

Curfew: **between midnight (24h) and 5 AM you have to stay at home**, except for urgent travel or commuting.

Are you ill?  
Call your doctor immediately and get a test. **Quarantine for 7 days** unless the test is negative.

The **autumn holidays are extended** until **15 November**.  
Check the teaching and childcare arrangements for your child's school.

All **non-essential shops** are closed.  
All **non-medical contact professions** (hairdressers, beauticians, wellness centres, massage parlours, etc.) must close.

**Visiting someone in the hospital is not allowed** unless the hospital gave you permission.

You **do not feel sick**, but return from a red zone or had close contact with an infected person? **Quarantine for 10 days**. You will **not be tested** unless you develop symptoms.

**You must always carry a face mask with you!**  
Wear it:

- in the entire city centre and student district (also when driving a bike!)
- within an 200-metre radius of schools
- in crowded places

The mask should cover both your **mouth and nose**.
