

VISITING REGGIO EMILIA PERIURBAN AREAS

Online field visit

PROSPERA is a project aimed at promoting sustainable development and regional attractiveness through peri-urban areas. The project is based on a learning exchanges process among several EU Partners – Reggio Emilia (IT), Aristorelis (HE), Debrecen (Hungary), Ghent (BE), Varberg (SE) with the methodological support of Ilvo. After the first online study visit about the City of Ghent, it's time to discover some practices and experiences developed in Reggio Emilia, Italy. The event is open to all the partners and stakeholders.
