Dear resident of Ghent,

Did you not respond to the first invitation for vaccination? You now have a second opportunity to get vaccinated. Residents of Ghent under 18 will get Pfizer. If you are over 18 you will get Pfizer or Moderna. You cannot choose this yourself.

How to make an appointment

You have received a new invitation from the Flemish government by letter, SMS or e-mail with a **vaccination code** you can use to make an appointment. You can also find it on [Mijn Burgerprofiel](#).

Make your appointment online, on the spot or over the phone. Be sure to have your **identity card** ready.

- **Online:** through this [website](#).
- **On the spot at the Vaccination Centre:** on [Vaccination Centre opening days](#) you can drop by from 9 a.m. to 5 p.m. to make an appointment on the spot.
- **By telephone:** through the Stad Gent Vaccination hotline on 09 210 10 44.

1 jab of Johnson & Johnson

Are you at least 18 years of age and do you want to be fully vaccinated with 1 jab of Johnson & Johnson? Come and get your jab spontaneously at the Vaccination Centre on 30 July (12 a.m. to 4 p.m.) or 6 August (4 p.m. to 8 p.m.), or make an appointment via the City of Ghent Vaccination hotline on 09 210 10 44.

Make your appointment now

Over 180.000 residents of Ghent have already had at least 1 jab. That's good news! But in order to really put a stop to the coronavirus, it is important that as many people as possible are fully vaccinated. Vaccination is especially important for protection against certain virus variants, such as the Delta variant.
